

Brooklyn Baptist Church COVID-19 Church Entry Form for Bubbled Households

Two households who have chosen to interact with each other and go to church and sit with each other during COVID-19 must fill out this form 1 week (7 days) before attending a service at Brooklyn Baptist Church. It must be filled out in full and signed by at least one adult member from each household. We strongly encourage congregants to stick with the same household to come to church with. This form only needs to be filled out once, however if either family wishes to come with a different household, it will need to be filled out again, 1 week (7 days) in advance before the next church service. The 1 week (7 days) will not begin until the form has been received by the pastors/ministry assistant. Only one signed copy is needed.

Definitions:

Household – a group of people who live in the same home

Bubble – 2 separate households who interact with each other without physical distancing
